Hi everyone! I hope you are all well.

I know we love Cricket, so I have got some fun Cricket activities for you all to try this week. There are video links to support you for each activity.

Share your photos or videos of you playing cricket on our social media @LittleSportsCoaching

Cool Catcher:

- Get a pair of socks and make a ball with them
- Throw the ball in the air and catch it
- Can you touch your head, shoulders, knees or toes and catch the ball after you have thrown it?

Brilliant Bowler:

- Use a tennis ball, soft ball or a ball of socks
- Mark out a wicket using an object like a box or basket.
- And use tap or something that can represent the wickets
- Bowl the ball at the wicket
- If you hit the object e.g. basket or box = 1 point and hit the actual taped wicket = 3 points.
