

Home Learning Activities – World Book Day – Harry Potter

Hi everyone!

We have put together some activities for you to try. With it being 'World Book Day' this week we are going to learn all about 'Harry Potter'.

Make sure you stay active and read a lot of books!

Share your pictures and videos with us @LittleSportsCoaching

Spell Workout:

- Be your favourite character (Harry, Hermione, Ron etc).
- Make a wand. This could be a stick, toilet/kitchen roll tube. Colour it or paint it.
- Go to <https://youtu.be/GZrvByulAHg>
- Using your magic wand, perform the spells on the YouTube video.

Potions:

- Get some bubbles that you can blow and a partner.
- Your partner will blow the bubbles in the air and you have to pop as many bubbles as you can before they hit the ground.
- Count how many you pop.
- Have another go and try beat your score.
- If you have no bubbles, you can make your own. For information on how or more Harry Potter ideas visit, <https://www.telegraph.co.uk/travel/arts-and-culture/harry-potter-studio-tours/harry-potter-themed-activities/>

Home Learning Activities – World Book Day – Harry Potter

Quidditch:

- To play Quidditch, you need a broom! Make a broom using a pole or stick. Decorate it if you want.
- Now sit on your broom (Put it between your legs).
- Grab a ball, with a partner throw the ball to each other while staying on your broom.
- See how many throws and catches you can do without dropping the ball. If you do drop it, start from 0 again.
- Now make 2 targets, 1 for each of you. Put the target behind you. Try and throw the ball past your partner and into the target. If you do you get 1 point.
- You can try and block the ball from going into your target.

Story Time:

- Do research on 'Harry Potter'.
- Create your own wizard/witch profile. Include things like,
 - Drawing of what you look like
 - What spells you can do
 - Whats your favourite magical subject
 - What would you do with your powers
- Now take some time to read a Harry Potter book.
